Thank You!!!

Thank you so much for your donation to the Rooster Walk Music Instrument Program, which was created in 2014 with donations made in memory of the late Todd Eure, a member of the MHS class of 2000. Your instrument will be repaired/refurbished and donated to entry-level band programs in Martinsville & Henry County public schools. If the band directors deem your instrument unsuitable for repair or unneeded in the classroom, Rooster Walk reserves the right to sell the instrument and donate all proceeds back into the program. If you have questions, please email roosterwalk@gmail.com.
